To All

We need help getting the PA system repaired for the Festival. Bill K4WPM and I went out last week and checked things out. The PA wires and speakers are in bad shape.? We have a lot of work to do in 2 weeks to get ready.

I can work on the PA Wed 18th and Friday 20th and all days 23 thru 27th.

We need to start early in the day so we miss the thunder showers.

There is a lot of work to be done. If you cannot climb ladders, we could use you on the ground as support.

Please let me know when you can help. I will feel much better when this is all done

We also need folks to work during the festival Saturday, Sunday, and Monday.

Several of you have indicated you can work during the festival. Please reply to me with the times you will work.

We need at least?2 people for?the porch and 2 people for the Ham shack?at all times?plus a relief person.

Here are the slots we need to fill.

Friday Sept 5th?? 1 to 5pm for last minute setup and make sure everything is working.
One or two persons.

Saturday 8am to?noon? ?Need 2 people to man the Porch and operate the PA system
Saturday ?noon to 6pm? Need 2 people to man the Porch and operate the PA system
Saturday? 8am to?noon? Need 2 people to man the Ham Shack?
Saturday ?noon to 6pm? Need 2 people to man the Ham Shack

Sunday 8am to?noon?? Need 2 people to man the Porch and operate the PA system

Sunday ?noon to 6pm? Need 2 people to man the Porch and operate the PA system

Sunday? 8am to?noon? Need 2 people to man the Ham Shack?

Sunday ?noon to 6pm? Need 2 people to man the Ham Shack

Monday 8am to?noon?? Need 2 people to man the Porch and operate the PA system

Monday ?noon to 6pm? Need 2 people to man the Porch and operate the PA system

Monday? 8am to?noon? Need 2 people to man the Ham Shack?

Monday ?noon to 6pm? Need 2 people to man the Ham Shack

We need a commitment to fill all the slots. We get paid for the operating the PA system and Ham radio is free and just for the fun.

Feel free to work more than one day. We will need all the help we can get.

Please let me know when you can work and I can make a schedule. Bring a HT for communications.? We will use 146.58 simplex for the festival operations frequency. We will also monitor the 145.13 repeater.

For the workers I will have passes. I will try to get them to you before the festival. If not call on 146.58 and someone will bring them to the front gate.

Thanks

Eddie K4UN Cell 404-630-2870

Subject: [Bgmrc-list] Solar storm story

Message-ID: <001401cb47dd\$137a2e70\$0200a8c0@DEFAULTA0BC96C>

Interesting story about a prediction of a huge solar storm.
