I am driving to the hamfest Sturday morning, returning that PM,
and can
carry three passengers comfortably, five relatively comfortably.

Let me know if you are interested in a ride, and I will plan to
pick you up

at the library on Hospital Road at 8:00 AM. 73 Ira

My message should have read driving and returning Saturday. I
didn't run

a spellcheck or read carefully, sorry about that. The
invitation is still

open, Ira
