Somehow the keyer I had disappeared, and I am looking for a simple electronic paddle or keyer to replace it. Does anyone have one surplus to them.

Contact me at this e-mail address, or by land line at 770-253-0392, or if

that line is busy, 770-253-0693 73, Ira ka4jnb

FYI, the BGMRC Eating Meeting is scheduled for 6PM, Monday, Dec. 6th at the Golden Corral. Hope you can attend.

Also, the BGMRC Sunday Night Net has resumed operation at 9PM each Sunday night on the 145.130 repeater. Sandra K5ASD and/or Phil KB5JC have volunteered for Net Control. You are invited to check-in when you can.
