Just a reminder that our January eating meeting will be held at the Newnan Golden Corral Thursday January 27th at 6pm.

We will eat first and have a program on lightning protection by Rob Muzio WD4LBB. This should be a good program for anyone putting an antenna in the air.

See you there.

Eddie,

I'm sorry this is such late notice, but I wrote down the wrong email address.
But, the Fayette County Amateur Radio Club is offering a One Day Tech Class for the Technicians license. It will be held this Saturday, January 29 at 9:00 AM to 5:00 PM at the Peachtree City Police Department, 350 Hwy 74 South.?

We put this class on to help Cert Members get their license, however, we didn't get the numbers I hoped for.. So at this late date we will take walk ins till we fill the class. If anyone in your group know anyone who might want to get the ham ticket can email me a ki4ngd at arrl.net or call my cell @ 678-544-1147.

Thank you and 73,
